

EXPERT'S PROFILE

Name of Grantee : **JOSELITO P. QUIRINO, Ph.D.**
Area of Expertise : Material Science (Analytical Chemistry)
Inclusive Date of Contract as BSP Awardee : February 2, 2009-
March 3, 2009
(Short Term Category)
Host Institution : Department of Chemistry
Ateneo de Manila University
E-Mail Address : jquirino@utas.edu.au

EDUCATIONAL BACKGROUND

- Ph.D. Material Science (Analytical Chemistry), Himeji Institute of Technology (now Hyogo University), Hyogo, Japan, 1999
- M.Sc. Material Science (Analytical Chemistry), Himeji Institute of Technology (now Hyogo University), Hyogo, Japan, 1998
- B.Sc. Industrial Pharmacy, 1992, University of the Philippines, Manila, 1992

WORK EXPERIENCE

- **2007-Present** **Senior Lecturer**
Australian Center for Research on Separation Science
School of Chemistry
Tasmania University, Australia
- **2006-2007** **Senior Scientist**
Analytical Development
Dey, L.P.
- **2003-2006** **Scientist**
Analytical Development (Biologics Analytical
Chemistry, Department)
Scios, Inc.
- **2002-2003** **Scientist**
Analytical Chemistry
Scios, Inc.
- **2000-2001** **Analytical Scientist**
Analytical Chemistry
Pharmacyclics, Inc.

To be accomplished as BSP Awardee:

- Supervise the faculty of Ateneo de Manila University to further enhance the knowledge in the field of Chemical Science that will be useful for environmental, health and mining application.
- Deliver lectures and conduct research discussions in the area of Capillary Electrophoresis.
- To co-advise two doctoral students under the Sandwich Program and be able to start the researches of these two students.
